**\* About MHF's new Missional Budget Plan:** MHF's new strategic plan provides for a renewed mission focus which includes the administration and grants for programs formerly funded by the Mobilization for Mission Fund, including the Student Elective Term (SET) and Steven Roth Memorial Grant Program. **Please give generously to this unified budget!**

1. **Consider a Sustaining Membership and extra contribution** if you are able. This is a year by year commitment.
2. **Give a Gift Membership** at the appropriate level to colleagues, friends, and students from your family or church. Please provide an email address for the MHF Office to contact them.
3. **ACHE Fund** is an outside inter-agency fund administered by MHF, but not currently being used.
4. **Dr. Mary Jean Yoder Memorial Endowment Fund (MJYF)** promotes better health in developing countries primarily by giving grants to national Christians in those countries who are studying in the medical field and have a Christian service motivation. As an endowment fund, **all contributions go toward the principle** of the fund which then generates investment interest to fund the grants.
